## ANNOUNCEMENT.

In making this, our tenth annual sale of improved Short-Horns, at Parkdale Farm, adjoining the city of Maryville, Mo., on June 10, 1913, it is our earnest desire to present an offering that will interest and bring breeders from all parts of the country and justify the time and expense incident thereto. Realizing that this could only be done by selling strictly high-class cattle, we have reserved for this occasion the best twelve bulls ever bred by us, ranging in age from fourteen to twenty-four months; eight rich roans and four reds, of the modern, up-to-date type, with quality and Short-Horn character unsurpassed. Dependable bulls that will breed on **must** come from good dams, as well as good sires. The cows that produced these bulls will be on exhibition sale day, so that prospective purchasers can see both lines of ancestry of the bull he may select. Half of the number are sired by the champion show bull, "Diamond Goods." There is not an ordinary, plain bull included, and among them are several good enough to creditably head any herd in any country.

The females have been selected with the same care, and among them are included a number of the best cows and heifers in our herd. Fifteen of them have calves at foot and practically all of them (except those that have very young calves), are well along in calf to such bulls as Diamond Goods, Sultan Supreme, Diamond Abbot and Cornerstone. Such a class of cows, bred to such bulls, is a good investment, and many of them will doubtless raise bulls fit to head any herd and highly creditable to future owners.

We extend to you a cordial invitation to attend the sale and be our guest while in Maryville. Come in time, inspect the sale cattle, and see the breeding herd in advance. We will pay freight on purchases by any breeder of ten or more lots. Yours very truly,

BELLOWS BROTHERS.

## BRIEF HISTORY OF CHOICE GOODS.

By Walter O. Mitchell, Kansas City, Mo.

**Choice Goods**, as a factor in latter-day improvement of Scotch Short-Horns in America, stood in a position which showed him to have few equals and no superiors. His introduction to the American Short-Horn breeders was at the time he was purchased at auction by J. G. Robbins & Sons, of Horace, Ind., for the record sum of \$10,000. He was at that time arriving at two years of age. About fifteen months after this auction, Choice Goods and five noted Short-Horns were purchased by Col. G. M. Casey, of Clinton, Mo., from J. G. Robbins & Sons at a cost of \$25,000, figuring Choice Goods at \$10,000. This was a cash purchase and the cash was paid for the cattle.

Choice Goods' greatest career began in the spring of 1903 at Tebo Lawn. He and other members of an aged show herd were presented for competition for the first time in the fall of 1903. He was the undisputed grand champion of the season, with the exception of meeting defeat in competition with Whitehall Sultan at the Illinois state fair that fall, but regained all lost laurels by defeating the same bull in every succeeding show in which they met. Choice Goods' next appearance in the show yard was in 1904, at which time he entered the show yard at the World's Fair in St. Louis, competing in the greatest Short-Horn show ever held in America. Here and at all other shows of the season he was crowned grand champion. In 1905, Choice Goods and other members of an aged herd, young herd and calf herd, the two latter composed entirely of his get, appeared in the competition at the Lewis & Clark Exposition at Portland, Ore., making a winning of incomparable proportions. In five days after leaving Portland this same collection of cattle entered the show at the American Royal at Kansas City, repeating their success after a journey of nearly a thousand miles.

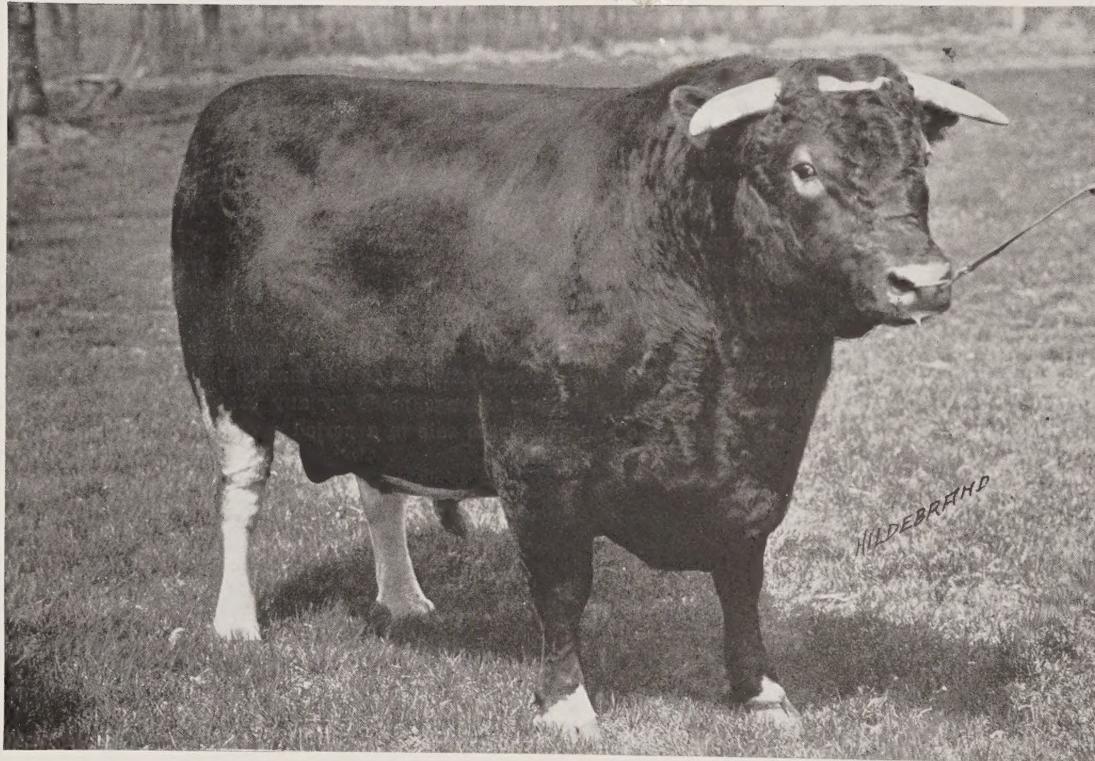

In June, 1906, Choice Goods was sold at auction in the dispersion of the Tebo Lawn Short-Horns, held at Kansas City, Mo. There he was purchased by Howell Rees of Pilger, Neb., for the record sum of \$5,500. His get in the same sale brought \$32,000, which stands as a record for the selling of the get of one bull at either public or private treaty in an American auction, since the days of the Bates' cattle boom in Kentucky, thirty years ago. Choice Goods died at his new home in Nebraska in 1908, after having made the most brilliant record, both as a show bull and as a sire, of any bull of his generation.

Choice Goods' sons have occupied a peculiarly distinctive position in the history of American Short-Horns. Two of them were selected at less than twelve months of age by Bellows Bros., for use on their farms. Good Choice was first. Mr. C. D. Bellows visited Tebo Lawn in the spring of 1905, and while Good Choice was less than five months of age, he there obtained an option on the bull to be terminated at the International Show of that year. They terminated the option by buying the bull, which was a son of the Scotch Secret cow, Silent 2d, one of the greatest individual

matrons in the Tebo Lawn collection. Best of all was sold with his dam in the Tebo Lawn dispersion of 1906 to Owen Kane, of Wisner, Neb., for \$1,300. Immediately after the sale Bellows Bros. obtained an option on the calf for delivery before he was twelve months of age, at \$1,000. Bellows Bros. subsequently obtained this bull, which was a son of Runaway Girl, a daughter of Imp. Collynie, which was out of Sweet Violet 2d, the cow for which Col. Casey paid T. R. Westrope & Sons \$3,750 at auction. A correct understanding of the methods employed by Bellows Bros. in deciding upon these two bulls reveals the fact that they were careful to obtain sons of dependable cows, which had been produced from some of the most dependable of all Scotch Short-Horns. One needs only to observe the impress which has been left by these bulls at the Bellows farms to understand the sound logic of such a process in selecting herd heading material.

Many other sons of Choice Goods have gained nothing short of national reputations. The Choice of All, which was one of the first to be sold to go to head an old established herd, was purchased by N. H. Gentry of Sedalia, Mo., at the American Royal at a cost of \$1,400. At the International of the same year Good Lad was purchased by a prominent breeder in Illinois for \$1,000. The same season Choice Goods Model, then a senior bull calf, was purchased by Hall Bros., of Carthage, Mo., for \$1,500. A son of Choice Goods out of the dam of Roberta was purchased in the summer of 1905 by E. H. Rutledge, of Little River, Kan., for \$1,000. The first ten sons of this famous bull were sold by Tebo Land & Cattle Co., of Clinton, Mo., for \$8,800, which was the highest average made by any breeder or firm in the United States at that time for the selling of the sons of one bull at private sale in a period covering less than two years.

Breeders of Sires.

**Diamond Goods 333014** is a bull for which we feel justified in making strong claims. He was the best bull calf of his year. His type and individual excellence, coupled with the fact that he was sired by Good Choice and out of that grand breeding cow Sweetheart, caused us to select and retain him with which to improve our herds. His steady improvement, his fine disposition, his career at the leading shows, and best of all, the two crops of calves sired by him have proved the wisdom of our choice. He is a bull of the right type, and rich breeding is combined with rare individual merit. At the leading shows of 1912 he was undefeated in the aged bull class, winning first at the Iowa and Nebraska State Fairs, and at the International, at Chicago. He was also made senior and grand champion at both State Fairs, and was awarded the grand championship over all beef breeds at the Nebraska State Fair. The yearling bulls and the calves sired by him that are included in our coming sale will leave no doubt about his value as a stock bull.

**Good Choice** was selected by us in the summer of 1904 as the best son of the many times grand champion Choice Goods. As a junior calf he stood third at the International and as a two-year-old he defeated every bull of his age that he met, winning first prize at the Iowa and Nebraska State Fairs, also at St. Joseph Interstate Fair and at the American Royal. He weighed at maturity 2,350 lbs., had a perfect disposition, was a natural flesh carrier and a remarkable prepotent sire. His reputation was established by the many good sons and daughters that have passed through our annual sales, and remained in our herds.

**Victorallan**—A red bull by Imp. Victoria's Count 141842, out of Daisy of Strathallan 13th, by Barmpton M 139269, he by the great sire Barmpton Hero 58313 and out of Mysie 41st.

**Champion 106772**—A red bull by Baron Barmpton 78793, out of the Cruickshank Secret cow Seclusion, sired by Feudal Chief 92299; Sycamore by Count Robert 45249; Surmise by Champion of England (17529).

**Sultan Supreme 367161.** -After looking for more than a year for a suitable bull to place in our herds with Diamond Goods, our attention was called to this calf, advertised to sell in the International Sale, under the name of Warrior Dale, by that progressive breeder, Mr. Owen Kane. After a careful inspection of the calf and his breeding we bought him. Later in the week he was shown in the senior calf class and stood fourth, a rating that did not cause us to think less of him. The Breeder's Gazette comment on this show was as follows, "The low set roan, Warrior Dale, which stopped down fourth, had so many of the requisites of a blocky filled all round winner that he could have ranked next to top without any injustice." His growth and development has fully met with our expectations and we regard him today as one of the very best young bulls of the breed.

**Corner Stone 363116** represents one of the happiest combinations of substantial blood lines in our herd. His sire, Superb Goods, was one of the best breeding sons of Good Choice, and his dam belongs to the Scotch Queen of Beauty tribe, which has been bred by us for generations with unerring success. Corner Stone is what may be expected from such a royal combination of blood, and fully qualifies as an individual that has inherited the most vital points of the ideal Short-Horn.

**Superb Goods 333019** is a worthy son of a great sire. He combines the blood in his top crosses of two World's Fair winning bulls, namely, Choice Goods and Young Abbotburn, and has for his dam the great breeding cow, Lady Abbot, that produced three great herd bulls in succession, Superb Goods, Lord Abbot and Diamond Abbot. He was used in our herds with marked success till June, 1912, when he was sold to E. J. Thompson of Hurley, S. Dak. He was the grand champion bull at the South Dakota State Fair in 1912.

**Diamond Emblem** is as near our ideal of a model up-to-date type of a Short-Horn bull as we have ever bred. His extreme thickness, depth of flesh, remarkable smoothness, with quality and finish unsurpassed, and splendid front with perfect head and horn, immense heart girth, strong back, standing on short legs, make him a bull that should stand at the head of the class in any company of junior yearling bulls we have seen in recent years. He is of the same type and a better bull than his sire was at the same age. If he will do for his future owner what his sire is doing for us, it would be difficult to estimate his value as a breeding bull.

Mr. Marr's Emmas have been highly appreciated in America since the famous Pott's Emmas made such an impression in the American show ring. They were of that thick, low, heavy stamp that has helped the Aberdeenshire Short-Horns to forge to the front and to be recognized as money-makers wherever found.

**Diamond Sultan 379692** is the result of mating a strongly bred Whitehall Sultan cow and a prize-winning bull of Choice Goods breeding, and the cross has produced a typical bull with beautiful Short Horn character, and quality unsurpassed. Without attempting to describe him accurately, will say he is good at every point, and it would require a critic to fault him. He is what a breeder would expect from such ancestry and, like his sire and grand-sires, will breed on and make the breed better.

**Diamond Goods 333014**—Red; calved Jan. 13, 1909. Bred by Bellows Bros.; got by Good Choice 227852, out of Sweetheart by Victorallan 212209, out of Modesty. He was undefeated in the aged bull class in the leading shows of 1912.

**Scottish Fancy** was considered one of the very best aged bulls we saw in Scotland in 1908. He was highly prized by Wm. Duthie as a stock bull and was there in his eleventh year.

**Diamond Knight**, like his sire, combines Short Horn character with rare individual merit. He is an exceptionally well balanced bull, very even and thick from end to end. He carries at the top a concentration of Choice Goods blood, and belongs to one of the oldest and best Cruickshank families we have ever bred. It was from this family came the white heifer, Hampton's Queen of Beauty, a prominent prize winner at the World's Fair, and sold in our 1905 sale for \$1,510. We can heartily recommend Diamond Knight to any discriminating breeder, and he will not be disappointed. We regard him a near duplicate of Choice Goods at the same age, and a bull that has a great future both as a sire and show bull.

**Sultan's Crown** is a rich roan, thick fleshed, low down deep bodied bull, with a nice head and horn, smooth, well covered shoulders, full in the heart girth, good back and full in the quarters. His dam, Hampton's Lovely, was in the prize-winning young herd at the World's Fair at St. Louis. She is a very heavy milker and an excellent breeding cow. She is the dam of Cumberland Chief that sold to C. C. Norton, Corning, Ia., for \$1,500.00 and did excellent service in his herd. We consider Sultan's Crown one of the best calves she has raised. In his top crosses is represented the blood of three of the greatest bulls of recent years namely: Choice Goods, Whitehall Sultan and Hampton's Best. He cannot fail to breed on.

**Sweetheart 2d** is of the same breeding on both sides as our champion bull, Diamond Goods, being out of Modesty, the dam of Sweetheart, that was the dam of Diamond Goods. Sweetheart 2d has for sire the grand old breeding bull, Good Choice 227852, considered by us the greatest son of the many times champion Choice Goods. This pair are right individually and the fact that Sweetheart 2d is again safe in calf to that grand young herd bull, Sultan Supreme, make them a most attractive offering, one that would add value to any herd and are well worth competing for.

**Good Choice 227852** was selected by us in the summer of 1904 as the best son of the many times grand champion, Choice Goods. As a junior calf he stood third at the International, and as a two-year-old he defeated every bull of his age that he met, winning first prize at the Iowa and Nebraska State Fairs; also at St. Joseph Interstate Fair and at the American Royal. He weighed, at maturity, 2,350 pounds, had a perfect disposition, was a natural flesh carrier and a remarkably prepotent sire. His reputation was established by the many good sons and daughters that have passed through our annual sales, or been retained for breeding purposes in our own herds.

**Champion 106772**—A red bull by Baron Barmpton 78793, out of the Cruickshank Secret cow, Seclusion, imported by Luther Adams in 1887, sired by Feudal Chief 92299; Sycamore by Count Robert 45249; Sunrise by Champion of England (17526). Baron Barmpton was considered by Mr. Jas. I. Davidson the best bull calf brought out from Sittyton in 1884. He was sired by Roan Gauntlet (35284), out of Barmpton Spray by Caesar Augustus (25704).

**Baron Violet 90446**—A red, of the Sittyton Violet tribe, got by Roan Gauntlet 45276 out of Violet Bloom by Royal 58684; Village Pride 2d by Senator (277441); Village Rose by Champion of England (17526).

The Goldies are one of the oldest Uppermill tribes and have produced many notable prize winners at national shows. Imp. Fancy, the dam of Fancy's Pride, was one of the best cows to be found in Great Britain. She won first prize as a two-year-old, and later became a member of the herd of H. R. H., Prince of Wales.

**Lovely of Parkdale 3d** is probably the best daughter of Good Choice we have ever offered for sale. She is a low-down, deep-bodied cow, and with little fitting would make a great show cow.

**Good Choice 227852** was selected by us in the summer of 1904 as the best son of the many times grand champion, Choice Goods. As a junior calf he stood third at the International, and as a two-year-old he defeated every bull of his age that he met, winning first prize at the Iowa and Nebraska State Fairs; also at St. Joseph Interstate Fair and at the American Royal. He weighed, at maturity, 2,350 pounds, had a perfect disposition, was a natural flesh carrier and a remarkably prepotent sire. His reputation was established by the many good sons and daughters that have passed through our annual sales, and remained in our herds.

**Hampton's Best 170818**—Dark roan, of 1900; bred by Messrs. C. B. Dustin & Son, Summer Hill, Illinois; sired by Merry Hampton 132572, one of the great champions, sire and grand sire of champions; dam, Secret of Hill Farm 2d by Lavender Lad 119937.
